

Emdeon Prescription Benefit Solutions Rebate Management

In-house rebate contracts
administered by Emdeon
ensures full transparency
and leads to one critical
business result – lower
net drug costs.

Gain better control of net drug costs

Health plans and payers already managing member benefits are uniquely positioned to save additional money by contracting directly with pharmaceutical manufacturers and managing rebates efficiently in-house. Emdeon™ provides a secure, web-based manufacturer rebate management system with exceptional decision support capabilities that calculates, invoices, and reconciles rebates electronically for all manufacturers.

Informative reporting to manage contracts directly and save

Emdeon provides informative reports at the manufacturer, product, group, or claim level. Powerful and insightful net cost modeling fosters continuous improvement and maximizes potential revenue opportunities.

The flexible support and expertise you need

In addition, Emdeon provides ongoing expert administrative resources and support to assist our clients with establishing, maintaining, and enhancing their direct contractual relationships with pharmaceutical manufacturers.
